Review SMASH state testing (CASSPP) data for 16-17

SMMUSD adopted a new timeline for site plan submission to Board of Education. Plans are no longer due in January. Plans are due 9/30/17. Historically, SMASH Site Council has drafted/revised one goal per meeting (September, October, November) and had the final plan approved in December. This school year, in order to meet the new timeline, SMASH Site Council will vote at the 9/13/17 meeting to approve our final plan. Therefore, on 8/30/17, we will review the drafted SMASH site plan to address all 3 state/district required goals. This includes the budget expenditures associated with these goals.

Goal 1 – All graduates are ready for college and careers.

Goal 2 – English learners will become proficient in English while engaging in a rigorous, standards-aligned curriculum.

Goal 3 – All students engage in schools that are safe, well-maintained and family-friendly.
