Get Set For Samohi

Get Set for Samohi is an interactive class held on Samohi's campus, providing our incoming 9th graders with a comprehensive introduction to Santa Monica High School. Focusing on Samohi's programs and resources, this class is designed to prepare and organize students for their transition to the high school. They will gain the tools needed to be successful students socially, emotionally and academically, by learning strategies for managing both the triumphs and challenges of high school. By the end of the course, students will have an understanding of their A-G requirements, UC/Cal-State entrance requirements, and will be able to navigate their yearly schedules. This class is designed to lessen that period of transition to high school and equip them to be prepared, and excited about their upcoming school year. **Note: this is a full-morning class (8:45am to 12:45pm), starting and ending at Samohi.**

After you register for *Get Set for Samohi*, check out our other fun and interactive classes. For more information on Summer Adventure, visit www.summer-adventure.org. Registration begins on March 20th. Financial assistance is available.
